

Top 100 Hebrew Words for Beginners.

Is learning 100 Hebrew Vocabulary Words Scary? No!

How to learn: Now, 100 is a lot of words, right? Don't be scared. Take a look. There are 30 days in a month. If you just learn 3-4 Hebrew words a day (multiply 3 or 4 times 30...that's 90 or 120), you'll learn all 100 in a month easily.

So learn 3 on one day, learn 4 on another. That's it. Easy.

- Print this lesson out to have as physical material
- Review often because success doesn't happen from learning things "once"
- Don't worry too much about their order or why something might be missing - one easy step at a time, my friend.
