

30 Korean Greetings Workbook**by Linguajunkie.com**

Practice writing out the Korean words and phrases on the line below. There's plenty of room so you can write more than once.

This PDF is good for writing practice. But if you want to learn to speak and understand real Korean... I recommend KoreanClass101.

So, if you want a Korean learning program/app with lessons by real teachers, go to KoreanClass101.com ([click here](#)) and sign up for a FREE Lifetime Account.
